TALK OF BULL

With the first game of the season behind us and four premiership points on the board we approach todays game against Canning with a great deal of confidence.

The game against Kalamunda last week was played in very trying conditions, but had passages of very fast play-on football, mixed with some good body clashes and some excellent high marking.

Kalamunda are to be congratulated on the determined way in which they approached the game, and their renewed spirit should ensure many wins for them during the season.

Playrs who weighted in with good games for "the Bulls" included newcomers in Rod Quayle Milan Trifunovic and Gary Smit, while regulars to do well were Ian Saunders, Dennis Cometti and Rod Mohr.

Jake Butler, as usual, played a vital role and kicked eight goals.

The seconds game was disappoiting despite great individual performances from Les "Rooster" Jarvis at centre half back and newcomer Greg McQueen in the centre.

This team has many talented players and an improved performance is expected this week.

Today we welcome the Canning Football Club to the home of "the Bulls" and we extend to all their players and supporters the invitation of a little light refreshment after what promises to be a very exciting game.

On closing we would like to thank all the supporters who attended the members Quiz Night on the 12th April, and a special thanks to Wally Foreman for chairing the show and providing such an excellent array of general knowledge questions.

MIGHTY ROYALS

Last week the reserves were rewarded for their efforts with a great win over Armadale. The first half of the game was fairly even on the scoreboard, but in the second half it was a different story. Armadale had no answer for the brand of football that we played.

Good efforts by Kevin Beale, Ken Stain, Wayne Ogg, Fimmo and Mike Strang put the end result beyond doubt and the team effort in general guarantees the club that there is pressure on all players in the league team to perform.

Unfortunately a lot of league players did not perform last week and as a result we were soundly beaten. Armadale played a good brand of football and as a result we were unable to get our game going. They put pressure on us every time we got near the ball and we did not do the same to them and it made it very easy for them to deliver the ball.

No-one tried harder to get us going than John Risely. As a result of his hard work the smaller players in Geoff Truscott and Alf Stal picked up plenty of kicks. Graeme Nicholas worked hard inthe forward line and picked up six goals for his efforts. There were a few other players who tried hard but things didn't quite work out for them.

There is still not enough effort being put into the selling of the tipping cards.

This week we are the hosts to the Kalamunda club. We welcome all their players and supporters to our show after the games and hope they enjoy our hospitality regardless the results of the games. Remember we are for revenge so THINK WIN!

THE HAWKS

Congratulations to all players of our three teams who commenced the 1977 football competition last Sunday in the right fashion recording victories in all games.

Coach Lex Howden was delighted with the performance of the Under 19's who showed Maddington that they are up against a most formidable side again this year. Well done fellas and congratulations Lex for your efforts in getting the most out of the players at such short notice.

The reserves side are to be applauded for the victory over Kwinana and coach Graham Dwyer must be pleased with their effort although expecting improved all round performance for the four quarters in future. Best players for the reserves were Graham Campbell Norm Barratt, Mike Lane, Wayne Marshall who tried hard all day and Shane Ferguson. Lets see an improved performance today for our encounter with Kelmscott and remember fellas more teamwork and a lot more talking.

The league side are to be commended for registering four points although coach Peter Dougan will be looking for a better performance and more team effort in todays game against Kelmscott. We know the ability and potential of the players and can assure you the club and supporters will be right behind the team cheering and applauding to victory. Best players in the league were Ken Harris, Garry Green, Trevor Williams and Mark Smythe.

To all supporters and last years members of the Gosnells Football and Sportsmans Club please take note that our membership drive is in full swing. Nomination forms are obtainable from the bar or Secretary Keith Davis and please remember to ask any of the Committeemen for assistance if needed.

We wish both our teams a most rewarding game today and win or lose we extend an open invitation to Kelmscott players and supporters to join us in a social drink after the game.

THE TIGERS

Scratch match form proved true last weekend with our league side notching up an impressive first-up victory over Mandurah. After a tardy first quarter, when several of our new players "settled in" the Tigers moved into top gear and carried all before them for the remainder of the game.

Though the performance was a very even one, singled out for mention are Greg Green (9 goals) Alan Vines, a recruit from Inglewood-Bayswater and evergreen centreman, Johnny Vlahov, "fresh" from a season in Darwin. Paul Polsen also seems to relish the centre-half-back role and turned in an excellent game.

Tony Hynam, who was eagerly awaiting today's clash with Maddington, left the ground in the first quarter with an ankle injury and will be unavailable this week.

The disappointment of the day was our seconds side, who never really got moving at all and whose performance can be considered lack-lustre. Peter Andryisevich, Dave Mounsher and Gavin Lekich (until injured) turned in good performances. Many changes to this side can be expected today.

Our Ladies Committee seem stronger than ever this year and capably catered for last week's large crowd. New members, however, are still required and anyone interested should contact Ladies Committee President Vera Fogarty.

Club membership is now open and intending members should contact John Chaplin or Vic Cizeika. It is requested that those who have paid a deposit on their membership finalise payment as soon as possible — we might need the money this year.

Best of luck to our players for today's games — at around 5 O'clock we'll know how good we are!

Bill Hansen Shown between two Thornlie players, his 6 goals was a good effort for Kelmscott.

THE LIONS

Congratulations to "Kelmscott" on a very good double against us last Sunday. Their overall strength in both League and Reserves proved too much for our sides.

In the reerves "Thornlie" more than held their own for the first quarter, but from then on it was all Kelmscott and they ran out easy winners.

Best for Thornlie were : — Alex Nie — never beaten works hard in the center, Mark Patullo — a solid game in the ruck and youngsters Wayne Lloyd and Neil Corker who tried hard all day.

In the League Game it was all Kelmscott from the first bounce, however an early injury to new Centre-half-forward Les Ransome did not help us, also our lack of big men, (which we hope to rectify this week), told heavily against us at the bounce downs. Best for Thornlie were: — Trevor Stirk — won all day on the wing, Gavin Denton — a tireless game at Centre-half-back, John Ballantyne a servicable game in the center, David Payne, Dennis Evans and Ozzie Osborne.

PERSONALITY OF THE WEEK: Dave Morcom Assistant Coach and coach of Reserves Dave is in his fifth season with the Club, after transferring from East Fremantle — a very popular and dedicated clubman Dave has given us Stirling Service on and off the field.

Today we play Armadale at home and are hoping for a much improved performance in both grades.

TOOTHLESS LEO

THE KNIGHTS NOTES

Last Sunday's results in both games, while a little disappointing in that we lost, were heartening in that they showed Kwinana is o the way back as a football force in th S.S.M.N.F.L. The Hawks are always a tough side to beat and both our teams were in a position to win at some stage during the game. We just seemed to lack the finesse to finish off our good play.

The club welcomes to its ranks Tony Davis, John Pavlovic and Wally Krispler. These first two named showed they will be a force in games to come while Wally's form in the reserves will place pressure on many of the league players.

Good players in our league side included Murray Lloyd, Ron Caporn, Garry Cukrov, Tony Davis and Danny Roberts. For the Reserves the Hunter Brothers, Clive Vernals, John Legena and Tommy Mannion did best.

Today's game against Mandurah is one which both sides MUST win. Let's not be fooled by Mandurah's big loss last week. They are always a hard side to beat at home and we will need 100% effort to notch those four points.

SOCIAL NOTES:

Tickets are now available for the Quiz Night to be held on May 2nd. The price of $1.50 includes a light supper.

Raffle tickets are selling well but there ar still tickets left. This has only a week to run ar we would like to sell all books.

DEMONS DIGEST

1977 . . . . .65 YEARS YOUNG

Today we visit Thornlie, home of the Lions. Over the last couple of seasons the score between the two clubs has been fairly even. This is the year for the Demons to take the lead again!

Last week against Kenwick, the League side produced a brand of football and teamwork that the Demon followers have been patiently waiting for, for so long. Credit must go to the shrewd recruiting, and Gary Greer's persistance with his theme for football. The game was played in most untypical footy weather, at a cracking pace throughout by both teams. The Demons never shirked a challenge, threw themselves into the game with determination and courage.

To see the attacking half of the team tackle and chase like a defensive half of a team, was the key to the match in my opinion. The days of Armadale being run over by sheer weight and strength are over, better football is the only thing that will beat them now! This game had such a high standard of teamwork that my vote for the best goes to all 20 of you fellas, you all deserved it!

The Reserves game was a different story, in the reverse of the League Match, and all credit goes to the Royals. Firstly, let me congratulate "Fish" Heron, and Wayne Hand on their appointments as captain and vice-captain respectively. This team can and MUST do better this week and every week. Regular training, self-criticism (not others) and fire in your belly is what it takes, don't kid yourselves otherwise! Take a leaf out of Rowie's game last week, listen to him, let that never-say-die spirit of his rub off onto you, and get out there and burn the grass!! The sooner these players accept that playing Reserves football in this competition is no mean feat, the better. Come on fellas, the whole club is behind you, you get behind your team-mates and produce the goods!

The Under 18's and 16's got off to a tremendous start last week, winning by 20 goals and 12 goals respectively. As with all our younger teams, the question is always who can beat us? Well done lads, keep that fire burning you Demons!

A sincere vote of thanks goes to the Royals for their large number of players and supporters for their large turn-out for our first game, keep it up, you're the backbone of the club!

SOCIAL: Friday May 20th, Armadale Hall from 8 p.m., a "BIERFEST", with the "ALPINES" band, and the "EDELWEISS DANCE GROU $10 double, B.Y.O.S. "Donner und blitz, y had better get your tickets schnell"

PEEGEE

Although the result of last Sunday's game was not unexpected, the manner in which we lost it was. The league team again played a poor third quarter allowing Maddington to put the result of the game beyond doubt. So the optimism of half time turned to dispair at three quarter tim. The team must learn that to win games in this league, they must play good football for the four quarters. Congratulations to Dennis Humfrey, Glen Hayden and Glen O'Rourke for their efforts.

The Reserves coach Sid Jackson must have been far from unhappy with his team as, although they were well beaten they showed that they have plenty of spirit and will certain improve as the season progresses.

This week we meet Kenwick, away, and we feel we can approach this game with some confidence, as we have too many good players, with experience with W.A.N.F.L. clubs, to play two bad games in a row, but every player must contribute to the team effort for a full 100 minutes.

How many raffle tickets have you sold? Remember for this raffle to be a success, then every player must sell two books. Your support of the club in this regard is most important, so see Dave Kelly and pick up a book of tickets.
